

**CENTER FOR PROFESSIONAL DEVELOPMENT****VETERINARY ASSISTANT**

240 Hours/12 Months/Instructor-Facilitated  
Course Code: **CPD124** || Course Cost: **\$1795**

**OVERVIEW**

Enjoy the rewards of working with animals! The Veterinary Assistant Program will teach you how to help keep animals healthy, care for them when they're ill, and assist veterinarians in their offices. This program also covers interpersonal communication, interaction with clients and their animals, and how to assist the veterinarian during examinations. Administrative duties, such as fee collection, banking, and accounts payable are also emphasized, and the program contains basic information about pet insurance.

Developed by veterinary professionals, our online veterinary assistant training will teach you the procedures and skills necessary to bring health and comfort to animals and their owners. Through our program, you'll learn how to channel your love of animals into a rewarding career supporting the activities of the veterinarians and technicians.

**NOTE:** This program *does not license, certify, or register* veterinary technicians in any state through the Board of Veterinary Medical Examiners.

**OBJECTIVES**

Upon completion of the Veterinary Assistant Program, you will:

- Have knowledge of safety measures to prevent injury to animals and their owners, as well as the veterinary team
- Know how to communicate in an effective manner with the veterinary team, animal owners, and visitors to the veterinary clinic
- Be able to apply ethical and legal standards to issues in the veterinary office
- Understand proper office and compartment cleaning methods for the safety of animals and the veterinary team
- Understand veterinary medical terminology
- Be able to perform office administration duties
- Understand the basics of responsible animal care
- Know how to handle animal specimens correctly and process them accurately

**MATERIALS INCLUDED**

- *Veterinary Office Practices*
- *Illustrated Guide to Veterinary Medical Terminology*
