

Federal Financial Aid Consortium Agreement

Excelsior College – Parent Institution

This Federal financial aid consortium agreement enables enrolled Excelsior College degree-seeking students to participate in financial aid programs while concurrently attending Excelsior College (Parent College) and another accredited higher education institution (Non-Parent Institution). This agreement does not guarantee an increase in the amount of financial aid you will be eligible to receive. Excelsior College reserves the right to decline a student's request for a consortium agreement if, in the opinion of the Excelsior College Financial Aid Office (FAO), that consortium agreement would be administratively prohibitive. This agreement does not guarantee deferment of your past loans, please contact your lender.
