The Excelsior Master of Business Administration

Excelsior College®
The Excelsior MBA.
Turbocharged.

At Excelsior College, our goal is to do everything in our power to keep your path to success as direct, stress-free, and unobstructed as possible.

That’s why we recently restructured our MBA program to make attaining your graduate business degree closer than ever before.

Now, with Excelsior’s updated MBA, you have the opportunity to waive up to 15 credits of foundation requirements through exams* or relevant undergraduate courses you’ve taken.

You may apply a total of 24 credits, including graduate-level credit you’ve already earned, toward your degree.

This means you may be able to earn your Excelsior MBA with as few as 33 credits—saving you significant time and money and putting you on the fast track even faster.

“Everyone from faculty to students has mutual respect and is very supportive. The ability to assess your instructors, give feedback, and share your story with others is helpful. It is a great environment for students. I am happy to have had the opportunity to experience different perspectives and further my thinking in directions I did not expect. Thank you Excelsior College for offering such a rewarding program.”

Online MBA courses start every other month.
Get there sooner.

You may be eligible to waive up to 15 credits of foundation requirements if you’ve earned prior upper level undergraduate credit in the subject matter within the last ten years and received a grade of a B or better.

Rise to the Challenge.

Excelsior offers Challenge exams for the five foundation requirements of our MBA program. These exams allow you to waive the corresponding Excelsior College course if you achieve a passing grade.

Giving credits where credit is due.

Top-ranked for transfer students by U.S. News & World Report, Excelsior College permits you to apply up to 24 graduate-level credits toward the 48 credits required for graduation. Excelsior allows you to waive up to 15 foundation requirement credits through exams or applicable undergraduate courses.

Since this program is designed specifically for adults with solid business or other work experience, no GMAT is required.

Excellence you can afford.

Several factors make our program more affordable than other programs. By accepting credits you’ve already earned, we save you the time and expense of repeating courses. Online learning reduces expenses such as travel and housing.

Our course payment plan and Federal Financial Aid help you budget your tuition more effectively. Your MBA courses may also be eligible for tuition reimbursement from your employer. The program’s flexibility allows you to keep earning your salary while pursuing an MBA.

It’s no wonder GetEducated.com ranked Excelsior among the 50 top values in regionally accredited distance MBA programs.

“I earned an AS degree from Excelsior in a short time, because all my credits transferred. I earned my BS in Accounting and immediately continued with the MBA. Excelsior is convenient and affordable, and even though the program was online, someone at the College was always there to help.”

The exceptional value of an Excelsior MBA.

An MBA from Excelsior College is one of the smartest investments you can make in your future.

For an exceptionally affordable cost, the returns can be enormous. You’ll gain invaluable knowledge about all aspects of business. Build your leadership skills and ability to handle real-world challenges. Form alliances through social networking with your classmates and mentors that will bear fruit years down the road. Choose from a remarkable array of career opportunities, whether you wish to advance in your current business setting or start fresh.

With Excelsior, you earn your degree without interrupting your career or life. Because our MBA is the most flexible, most efficient way to get ahead.

Fits your schedule. Changes your life.

Enroll year-round and take courses on your schedule. Choose from a variety of subjects offered every other month in a 15-week or accelerated 8-week format. This allows you to earn your degree and advance your career while balancing the demands of work, family, and life.

Unlike other programs, Excelsior College’s MBA has no on-campus requirement, so you don’t use up valuable vacation or personal time to complete your degree.

The Excelsior College Career Center.

Whether you are beginning, changing, or developing your career—we have the tools to help. The Excelsior College Career Center features a variety of centralized resources and services for enrolled students, alumni, and future students.

These include Self-Assessment Tools to help you find the best career fit, Career Exploration Resources, Job Search Tools, and Career Counseling appointments to investigate career fields, research employment trends, and assist in mapping out your future career plans. You can access the entire list of resources for the Career Center at excelsior.edu/career.
“I received my BA from Excelsior. When the Master’s program became available, it was a logical choice to continue my education with a college that is so concerned about working adults. I was able to manage my time with family and work while taking my courses. Plus I learned real life situations I could apply at the law firm where I work.”
