## International Nurses School of Nursing Candidates

In addition to official transcripts, nursing candidates must demonstrate that they have an equivalent U.S. Registered Nurse (RN) licensure. To be eligible for admission, the applicant must be a graduate from an approved school of nursing in their country of education and hold a current, unencumbered nursing license (if licensed in multiple jurisdictions and/or countries, all licenses must be unencumbered). All nursing school transcripts and all licenses will be validated by primary source verification.

International candidates must apply to the Commission on Graduate of Foreign Nursing Schools (CGFNS) New York Credential Verification Service (NYCVS) and the New York State Education Department (NYSED) to have their foreign nursing education evaluated and approved by the aforementioned organizations. For more information, visit

<http://www.cgfns.org/sections/programs/cvs/>

Since the NYSED only issues an official NCLEX eligibility document to applicants directly, and will not send the document to Excelsior College, international applicants must forward the unopened official NCLEX eligibility document to Excelsior College. When international applicants receive the official NYSED document in its sealed envelope, they must insert the unopened envelope into an outer envelope and forward it to Excelsior College. International applicants should also write their full name, permanent address, and date of birth on the outer envelope.

The evaluation of credentials from outside the United States, all applicants must use one of the approved agencies noted previously. CGFNS New York Credential Verification Service (NYCVS) and the International Consultants of Delaware (ICD) Course by Course Services are offering Excelsior College applicants a discount when using their combined services. This bundle service package represents significant savings with a discount being applied to the ICD

Course by Course Service. This one-stop service helps applicants reduce expenses and save time in completing all the required procedures necessary for admission. If applicants choose to apply for NYCVS and the Course by Course Service separately, they will pay the full price. Applicants who wish to take advantage of this bundle service package must visit

<https://www.cgfns.org/cerpassweb/contactUs.do>

and submit their questions to Ms. Janette McCoy at CGFNS. After connecting to the Web page, please follow the instructions below to submit your questions.

- Ignore the error or warning texts in red.
- For the “Who are you?” question, please select “Other” from the dropdown list.
- Answer the questions by providing your first name, last name, and email address.
- Select “Credential Verification Service for New York State” radio button under “Service.”
- Select the last option “NY/Excelsior” from the dropdown list under “Subject.”
- Type in your questions or comments, then click “Submit Form” button. Your email will be directed to Ms. Janette McCoy’s attention at CGFNS.

All official documents must be in sealed envelopes from the original source. In the event that Excelsior College receives an opened document, it will be considered unofficial and will not be considered for eligibility or evaluation; the opened document will be returned to the applicant. In this case, it becomes the applicant’s responsibility to contact NYSED or ICD and request another official copy to be forwarded, unopened, to Excelsior College by the applicant.
