List each institution that will be submitting official transcripts on your behalf. Only list institutions from which you have previously earned college-level credits and that you would like to be considered. We will process your application once all official transcripts listed have been received. Do not submit unofficial transcripts as they cannot be used to evaluate your prior credits. Official transcripts are those that a college, testing agency, or education office submits directly to: **Excelsior College, Office of the Registrar, 7 Columbia Circle, Albany, NY 12203-5159.**

Note: The issuance date of the transcript must be within three weeks or less and must have two forms of ID on the transcript (e.g. Social Security number and current address, current address and date of birth, last four numbers of your Social Security number and date of birth).

Official transcripts must be submitted at the request of the student. Excelsior College does not request transcripts on the student's behalf. International Nurses

Admission to the associate degree in nursing program is not open to international students. Visit international.excelsior.edu for more information.

Admission to the RN to BS and RN to MS is open to international students. In addition to official transcripts, nursing candidates must demonstrate that they hold an equivalent U.S. Registered Nurse (RN) license. The applicant must be a graduate from an approved school of nursing in their country of education and hold a current, unencumbered nursing license (if licensed in multiple jurisdictions and/or countries, all licenses must be unencumbered). All nursing school transcripts and all licenses will be validated by primary source verification.

International candidates must apply to the Commission on Graduates of Foreign Nursing Schools International (CGFNS International), New York Credential Verification Service (NYCVS), and the New York State Education Department (NYSED) to have their foreign nursing education evaluated and approved by the aforementioned organizations. For more information, visit www.cgfns.org/sections/programs/cvs/.

Since the NYSED only issues an official NCLEX eligibility document to applicants directly, and will not send the document to Excelsior College, international applicants must forward the unopened official NCLEX eligibility document to Excelsior College. When international applicants receive the official NYSED document in its sealed envelope, they must insert the unopened envelope into an outer envelope and forward it to Excelsior College. International applicants should also write their full name, permanent address, and date of birth on the outer envelope.

For the evaluation of credentials from outside the United States, all applicants must use one of the approved agencies noted previously. CGFNS New York Credential Verification Service (NYCVS) and the International Consultants of Delaware (ICD) Course by Course Services are offering Excelsior College applicants a discount when using their combined services. This bundle service package represents significant savings with a discount being applied to the ICD Course by Course Service. This one-stop service helps applicants reduce expenses and

save time in completing all the required procedures necessary for admission. Applicants who choose to apply for NYCVS and the ICD Course by Course service separately will pay the full price. Applicants who wish to take advantage of this bundle service package must visit https://www.cgfns.org/cerpassweb/contactUs.do and submit their questions to Ms. Janette McCoy at CGFNS. After connecting to the webpage, please follow the instructions below to submit your questions.

- Ignore the error or warning texts in red
- For the "Who are you?" question, please select "Other" from the drop-down list
- Answer the questions by providing your first name, last name, and email address
- Select "Credential Verification Service for New York State" radio button under "Service"
- Select the last option "NY/Excelsior" from the drop-down list under "Subject"
- Type in your questions or comments, then click "Submit Form" button. Your email will be directed to Ms. Janette McCoy's attention at CGFNS.

All official documents must be in sealed envelopes from the original source. In the event that Excelsior College receives an opened document, it will be considered unofficial and will not be considered for eligibility or evaluation; the opened document will be returned to the applicant. In this case, it becomes the applicant's responsibility to contact NYSED or ICD and request another official copy to be forwarded, unopened to Excelsior College by the applicant.

RN to BS in Nursing and RN to MS in Nursing Programs

Admission to both the BS in nursing program and RN to MS in nursing program is limited to Registered Nurses (RNs) who are currently licensed in the U.S.		
☐	**Registered Nurse (RN)**	*You must submit an official transcript showing the completion of associate degree nursing education or RN diploma education.[1] In addition, we require a copy of your active, current **unencumbered** U.S. RN license with an expiration date. In most cases, we are able to verify your license online but if we cannot do that we will contact you and request that you submit it to us.* **NOTE: RN to MS** applicants must submit a completed MS Capstone Requirement form (www.excelsior.edu/capstone).
[1] Your associate nursing or RN diploma education must be earned from a New York State (NYSED) approved program or a program with specialty accreditation or a regionally accredited college.
