

JOURNAL OF BUSINESS AND TECHNOLOGY

CALL FOR MANUSCRIPTS

Excelsior College's School of Business and Technology issues this Call for Manuscripts for its journal, *The Journal of Business and Technology (JBT)*.

JBT is a peer-reviewed, open-access e-journal committed to promoting high-quality scholarship and practical applications of business and technology, including the scholarship on teaching in these disciplines.

Of particular interest are articles devoted to developing novel applications of new research areas. Intended for scholars, policy makers, educators and practitioners. Each issue examines research and applied work such as:

- Reports of quantitative and/or qualitative research
- Literature reviews that advance research and teaching in business and technology
- Meta-analyses of research in business and technology
- Practitioner focused reviews
- Case studies/best practices in the field and/or in business/technology education
- Book reviews

JBT considers manuscripts on all aspects of business, management, and technology, including manuscripts on international business, power and energy, electrical engineering, nanotechnology, cybersecurity, information technology, information systems, and computer science. Manuscripts are subject to masked peer review before being considered for publication.

JBT's Editorial Board includes:
