

CORPORATE COLLEGE SERVICES BS PROGRAM

Bachelor of Science in Professional Studies (Business and Management)

This program plan outlines how students may apply their Corporate College Services BS Program credits to Excelsior University's B.P.S. (Business and Management)

This is only a guide on how credits will transfer into an Excelsior University degree program.

Actual transferability of credits are dependent upon current Excelsior University degree requirements and policies upon the date a student is admitted to Excelsior. All students will be reviewed individually as it relates to the transferability of credits into an Excelsior University degree program.

Revision: August 2022

EVALUATION SUMMARY

	Semester Hours
Credits Accepted from Corporate College Services	99
Credits To Be Taken With Excelsior University	22
TOTAL CREDITS REQUIRED	121

* All credits with the exception of the cornerstone, information literacy, and capstone may be transferred into Excelsior University degree program from other sources of credit.

* This guide is only a sample scenario. Excelsior University reviews each student individually and actual requirements needed will depend on what a student has already completed and will transfer in.

* Excelsior University's BS in Business program requires students complete a minimum of 21 upper level business courses, 9 in a concentration, to meet degree requirements.

What are Arts & Sciences?

We offer the following definitions to help you make these determinations.

Remember, before you register to take a course or examination you should consult with your advisor to make sure it will help meet your degree requirements.

Humanities

Humanities subjects focus on developing knowledge and skills in critical reading, logical thought, and esthetic appreciation.
Here are some subject areas typically classified as Humanities:

Art, Philosophy, Music, Foreign Language, Literature, Theater, Ethics, Speech, Religion, Communication

Social Sciences and History

Social Sciences and History subjects focus on individuals and society and the processes individuals use to order their world.
Here are some subject areas typically classified as Social Sciences and History:
