

Central Texas College Associate of Applied Science in At Risk Youth Specialization Bachelor of Science in Psychology

This program plan outlines how students may apply their Associate of Applied Science in At Risk Youth from Central Texas College to Excelsior University's B.S. in Psychology degree program.

This is only a guide in how credits will transfer into an Excelsior University degree program.

Actual transferability of credits are dependent upon current Excelsior University degree requirements and policies upon the date a student is admitted to Excelsior. All students will be reviewed individually as it relates to the transferability of credits into an Excelsior University degree program.

Revision: October 2023
