

## FAYETTEVILLE TECHNICAL COMMUNITY COLLEGE ASSOCIATE OF ARTS

### Bachelor of Science in Liberal Arts

This program plan outlines how students may apply their Fayetteville Technical Community College Associate of Arts credits to Excelsior University's B.S. in Liberal Arts degree program.

This is only a guide in how credits will transfer into an Excelsior University degree program.

**Actual transferability of credits are dependent upon current Excelsior University degree requirements and policies upon the date a student is admitted to Excelsior.** All students will be reviewed individually as it relates to the transferability of credits into an Excelsior University degree program.

**Revision: August 2022**

	Semester Hours
Credits Accepted from Fayetteville Technical Community College	59
Additional Credits That May Be Transferred <u>OR</u> Taken With Excelsior	30
Credits To Be Taken With Excelsior	31
<b>TOTAL CREDITS REQUIRED</b>	<b>120</b>

\* All credits with the exception of the cornerstone, information literacy, and capstone may be transferred into Excelsior University degree program from other sources of credit.

\* This guide is only a sample scenario. Excelsior University reviews each student individually and actual requirements needed will depend on what a student has already completed and will transfer in.

\* Excelsior University's BS in Liberal Arts program requires students complete a minimum of 12 credits in any two different arts and sciences distribution areas and 9 in the remaining distribution area: humanities, social sciences/history, and natural science/mathematics.

## What are Arts & Sciences?

We offer the following definitions to help you make these determinations. Remember, before you register to take a course or examination you consult with your advisor to make sure it will help meet your degree requirements.

### Humanities

Humanities subjects focus on developing knowledge and skills in critical reading, logical thought, and esthetic appreciation.  
Here are some subject areas typically classified as Humanities:

Art, Philosophy, Music, Foreign Language, Literature, Theater, Ethics, Speech, Religion, Communication

### Social Sciences and History

Social Sciences and History subjects focus on individuals and society and the processes individuals use to order their world.  
Here are some subject areas typically classified as Social Sciences and History:

Psychology, Economics, Sociology, Geography, Political Science, History, Anthropology

### Natural Sciences and Mathematics

Natural Sciences and Mathematics subjects focus on understanding the natural world and problem-solving processes.  
Here are some subject areas typically classified as Natural Sciences and Mathematics:

Anatomy and Physiology, College Algebra, Microbiology, Calculus, Chemistry, Genetics, Biology, Physics
