TRANSFER PATHWAY GUIDE

Associate in Applied Science Criminal Justice Law Enforcement Track to Bachelor of Science in Criminal Justice

Overview

Completion of the following curriculum will satisfy the requirements for Associate in the Arts at the Kentucky Community and Technical College System and leads to the Bachelor of Science in Criminal Justice at Excelsior College.

Credit Transfer

Excelsior College will accept up to 90 community college hours for transfer (called our 3+1 program). Providing a unique pathway to earn a bachelor's degree, the 3+1 program lets students earn credit at their community college for an additional year after earning their associate degree and then, in consultation with Excelsior's academic advisors, seamlessly transfer into one of Excelsior's bachelor's degree programs to earn the remaining 30 credits toward their degree. The 3+1 program benefits are available to students from any accredited community college nationwide, regardless of whether the institution has a partnership with Excelsior College, although students from partner schools also receive special pricing. The Kentucky Community & Technical College System is a partner institution and partnership benefits can be found at <https://www.excelsior.edu/partner/kentucky-community-and-technical-college/>

Degree Requirements

Excelsior college accepts up to 90 community college credit hours for transfer and up to 113 credits out of 120 credits total required for a bachelor's degree as well as credit for approved military and professional training, credit by examination, and other types of real-world experience.

Excelsior College defines the following subjects below to assist students in understanding course classifications.

- Humanities subjects focus on developing knowledge and skills in critical reading, logical thought, and esthetic appreciation. Here are some subject areas typically classified as Humanities: Art, Philosophy, Music, Foreign Language, Literature, Theater, Ethics, Speech, Religion and Communication.
- Social Sciences & History subjects focus on individuals and society and the processes individuals use to order their world. Here are some subject areas typically classified as Social Sciences and History: Psychology, Economics, Sociology, Geography, Political Science, History and Anthropology.

- Natural Sciences & Mathematics subjects focus on understanding the natural world and problem-solving processes. Here are some subject areas typically classified as Natural Sciences and Mathematics: Anatomy and Physiology, College Algebra, Microbiology, Calculus, Chemistry, Genetics, Biology and Physics.
- Arts & Sciences encompasses the subjects of Humanities, Social Sciences & History and Natural Sciences & Mathematics courses.

General Transfer Requirements

Excelsior College has six start dates per year (Fall I & II, Spring I & II and Summer I & II). At Excelsior College, KCTCS staff and graduates receive a free application as well as tuition discounts. Interested students should go to <https://www.excelsior.edu/partner/kentucky-community-technical-college-system/> for more information and to apply.
