

**Brookdale Community College Liberal Arts Option, Humanities, A.A.
to Excelsior College B.S. Liberal Arts**
Revision: March 2022

This program plan outlines how students may transfer from the **Brookdale Community College Liberal Arts Option, Humanities, A.A.** program to the **Excelsior College B.S. Liberal Arts** program. Upon completion of the **Liberal Arts Option, Humanities, A.A.**, the following credits may apply for students enrolling in the **B.S. Liberal Arts** program.

This is only a guide in how credits will transfer into an Excelsior College degree program. Actual transferability of credits are dependent upon current Excelsior College degree requirements and policies upon the date a student is admitted to the college. All students will be reviewed individually as it relates to the transferability of credits into an Excelsior College degree program.

What are Arts and Sciences?

We offer the following definitions to help you make these determinations. Remember, however, that before you pay to take a course or examination you should always consult with your advisor to make sure that it will help meet your degree requirements.

Humanities

Humanities subjects focus on developing knowledge and skills in critical reading, logical thought, and esthetic appreciation. Here are some subject areas typically classified as Humanities:

Art, Philosophy, Music, Foreign Language, Literature, Theater, Ethics, Speech, Religion, Communication

Social Sciences and History

Social Sciences and History subjects focus on individuals and society and the processes individuals use to order their world. Here are some subject areas typically classified as Social Sciences and History:

Psychology, Economics, Sociology, Geography, Political Science, History, Anthropology

Natural Sciences and Mathematics

Natural Sciences and Mathematics subjects focus on understanding the natural world and problem-solving processes. Here are some subject areas typically classified as Natural Sciences and Mathematics:

Anatomy and Physiology, College Algebra, Microbiology, Calculus, Chemistry, Genetics, Biology, Physics
