

TO: Future Excelsior College Nursing Students from Delaware
FROM: Excelsior College Admissions Office
RE: Current Delaware State Board Status

The Delaware Board of Nursing no longer allows licensure by examination for Excelsior graduates. Graduates are eligible to apply for licensure only by endorsement. The Delaware Board requires 400 hours of RN clinical work experience as a qualification for licensure.

As a graduate you may apply for licensure by examination and work as an RN in another U.S. jurisdiction. Or you can apply for licensure by examination in another U.S. jurisdiction and work for a federal facility in Delaware, such as a VA hospital, military hospital, or federal correctional facility. Once you complete 400 hours of RN clinical work experience you can apply for license by endorsement in Delaware.

In order to process your undergraduate application for admission to the School of Nursing, select one of the options listed below. Then sign and return this document for processing.
