

Ever Upward Scholarship Gift Form

What is an Ever Upward Scholarship?

An Ever Upward Scholarship provides a one-time award to Excelsior students who have demonstrated financial need through the scholarship application process.

An Ever Upward Scholarship requires a minimum annual gift of \$1,000* to name one scholarship. Donors may increase their gift so that the scholarship can be awarded to additional students.

Donors to this program may choose to name their scholarship; oftentimes, donors name their scholarship in honor, in memory, or in recognition of someone who has had a significant impact on their own life. For example, donors name their scholarship: "The John Doe Ever Upward Scholarship honoring my instructor who encouraged me to complete my degree."

All scholarship recipients will be notified that you made this award possible. You will also receive a personal thank-you note from the students who benefitted from your generosity. Ever Upward Scholarship certificates are also available upon request.

**Ever Upward Scholarship gifts can also be named once a donor reaches \$1,000 in total annual giving. All gifts must be designated to the same fund and received between July 1–June 30 in the same fiscal year.*
