

**NSA - National Cryptologic School and Criminal Investigator Training Program
Bachelor of Science in Criminal Justice**

This program plan outlines how students can apply their NSA - National Cryptologic School and Criminal Investigator Training Program to Excelsior College's B.S. in Criminal Justice degree program.

Training acceptance may vary based on date taken. Additional training may be applicable based on ACE review, additional training evaluations, military experience, and credits taken at other regionally accredited institutions. This is a tentative transfer guide. An official review of transfer credits will be provided upon completion of admission application and receipt of all transcripts. This guide is only a sample scenario. Excelsior College reviews every student individually. Actual requirements will be dependent on the courses a student transfers and the application date with Excelsior.
