Total Credits Required for Associate	60	Total Credits Accepted from Associate	56

Excelsior College requires Math courses at the level of College Algebra or above. Depending on what the student takes at their home institution, they may need the other requirement for Excelsior College.

* Choose from AH 220, AH 285, Accounting, Business, Computer Information Systems, Economics, Entrepreneurism, Finance, Management, Marketing or Office Administration (OA) courses not already required by the program and other related courses as approved by the Dean. Should the student choose not to take the recommended courses above, the credits will be considered excess credits and will be made up beyond the associate degree or at Excelsior College.
