Dear Excelsior Community,

I am so pleased to share our 2021–2022 Honor Roll of Donors with you. This publication honors 24 months of commitment and dedication from the entire Excelsior community. It honors you, our longtime supporters, nonprofit partners, committed staff, old friends, new friends, and the newest members of our community. You have helped to lay the foundation for the future of our strong institution.

In July 2022, we concluded our 50th anniversary fundraising initiative, ELEVATE: The Campaign for Student Scholarships. Soon after, Excelsior embarked on a new journey with university status. Looking back to our early days, over the past half century, we have remained steadfast in our commitment to better the lives of thousands of people who strive to earn a college degree. None of this would be possible without the support of many generous individuals—alumni, staff, and friends—who care deeply about Excelsior and the students we serve.

As we enter our next 50 years, we remain focused on what makes an Excelsior education affordable and possible—and the steps we can take now to ensure we thrive for generations to come. A key part of our future success is support from people like you. By working together, we will continue to create connections and deeper collaborations that reach more people and foster a broader, more holistic impact of an Excelsior degree.

Whether you are a longtime supporter—or a new friend—we invite you to join us as we build opportunities for greater access today, tomorrow, and well into our future.

Together, we are making a difference.

With gratitude,

David Schejbal, PhD
President
