

Excelsior University OneTranscript®

Application Instructions

Thank You for Choosing OneTranscript®

OneTranscript is a service for students who want to consolidate their academic records for employment or educational purposes onto a single transcript. OneTranscript is not an application for an evaluation of credits applicable to an Excelsior University academic degree. **If you are planning to enroll in a degree program, you should complete the application for admission.**

OneTranscript enables you to record and report, on a single transcript, college-level credit you have accumulated from a variety of accredited sources. OneTranscript makes it easier for employers or other colleges to recognize the credit you have already earned. There are many adult learners who have accumulated college-level credit during their careers, often from a variety of sources. Keeping track of the many transcripts or test score reports can be difficult. The documents that you submit will be reviewed and all appropriate college-level credit will be included on your Excelsior University Credit Bank transcript.

Your first step is to complete this OneTranscript application. Please read it carefully and fill out each section completely. If you have any questions as you are completing this application, call the OneTranscript Administrator at 518-464-8518.

Duplicative (not repeated) credits are listed on a OneTranscript record, but duplicative credit will not apply toward an Excelsior University degree if you decide to enroll. You may request that certain courses be excluded from your Credit Bank transcript by listing these courses on your application. Once credits are posted to your transcript, they cannot be removed.

Documents Submitted for OneTranscript®

You are required to submit **official** transcripts, examination score reports, military documentation, foreign credential evaluations, official documentation of approved business and industry transcripts, FAA Fixed Wing Pilot certificates, etc., indicating that you have earned college-level credit for review.

Official transcripts/documents are those that a college, testing agency, foreign transcript evaluation agency, or acceptable military source submits directly to Excelsior University, Office of the Registrar, 7 Columbia Circle, Albany, NY, 12203-5159.

Transcripts from accredited institutions must include the institution's official seal and registrar's signature and two forms of student identification (e.g., Social Security number and date of birth, Social Security number and current address, current address and date of birth). **NOTE: The issuance date of the transcript must be within three weeks or less.** Do not submit unofficial copies as Excelsior University cannot use them in your review.
