

**EXCELSIOR UNIVERSITY**  
**HONOR ROLL  
OF DONORS**

**2022-2023**

Dear Excelsior University Community Members,

As we begin a new academic year, we reflect on the generosity and philanthropic investments made in our first year as Excelsior University. Through our Honor Roll of Donors, we show gratitude to our generous philanthropic partners who have helped us achieve major milestones this year and raise more money than we thought possible.

The generosity of our annual donors, new and exciting restricted gifts, and long-standing endowment funds enabled us to allocate more than \$1.1 million to fund student scholarships and support our mission and vision. These investments are made possible by our loyal donor base, including members of the President's Circle who contribute \$1,000 or more annually, and the Purple and Gold Society members who have given for three or more consecutive years.

Your gifts support Excelsior students by removing barriers to achievement and supporting personal and professional growth. Thanks to your exceptional generosity, Excelsior students are well educated and well prepared to positively impact their communities and their places of work.

Through expanded partnerships with our growing network of engaged alumni, friends, businesses, and foundations, and through the dedication of our faculty, staff, and trustees, we are making transformational impact. It is an exciting time to be part of the Excelsior University community.

We are proud of what we have accomplished and grateful for your support. Philanthropy takes all of us working together to support others. Your gifts strengthen the Excelsior University community and support greater equity, creativity, and opportunity. Thank you.

Ever Upward!

David Schejbal, PhD  
President
