

# OPSWAT Academy & Excelsior University Launch Cybersecurity Scholarship

OPSWAT Academy and Excelsior University have partnered to launch a cybersecurity scholarship for Critical Infrastructure Protection (CIP). This initiative strengthens our commitment to equipping future professionals with essential skills for the digital world.

## Shaping Tomorrow's Cybersecurity Leaders

Part of the OPSWAT Academy Scholarship Program, this initiative trains cybersecurity talent through strategic partnerships with academia, government, and industry. The curriculum focuses on tackling cyber threats and fostering collaboration, tailored for organizations advancing cybersecurity skills in their workforce and students.

## What Does the Scholarship Program Include?

By enrolling in the OPSWAT Academy Scholarship Program, participants will develop a comprehensive CIP cybersecurity skillset through 13 courses, designed to equip them with up-to-date skills applicable in any digital environment.

**Introduction to Critical Infrastructure Protection (ICIP)**

**OPSWAT File Security Associate (OFSA)**

**OPSWAT Data Transfer Security Associate (ODSA)**

**OPSWAT Endpoint Compliance Associate (OECA)**

**OPSWAT Network Security Associate (ONSA)**

**OPSWAT Legacy System Security Associate (OLSA)**

**OPSWAT Cybersecurity Fundamentals Associate (OCFA)**

**OPSWAT Ethical Hacking Expert (OEHE)**

**OPSWAT Password Cracking Expert (OPCE)**

**OPSWAT WebApp Exploitation Expert (OWEE)**

**OPSWAT Comprehensive OSINT Expert (OCOE)**

**Siemens PLC Secure Configuration Expert (Siemens PSCE)**

**Schneider PLC Secure Configuration Expert (Schneider PSCE)**
