* Excelsior College Bachelor's in Health Sciences degree requires statistics. It is strongly recommended that students wishing to transfer take MA 336.

** The following courses listed below are recommended as pre-professional preparation (PH 303: Scientific Use of Computers or equivalent computer applications course). Computer Applications Courses are generally not applicable to the Bachelor's in Health Sciences.

*** Excelsior College requires 9 credits in each of the following categories: "Humanities," "Social Sciences/History," "Natural Science/Math." Excelsior strongly recommends students wishing to transfer to this degree take 9 credits of Social Sciences/History as part of their Associate degree program.

Credits Beyond The Associate That Can Be Transferred OR Taken At Excelsior
