</tbody>
</table>

* Students are required to take a minimum of 12.00 online course credits from Excelsior to qualify for partner pricing.

**NOTE:** Excelsior College reviews every student individually and this guide is just a sample scenario. Actual requirements will be dependent on the courses a student transfers to Excelsior.

**What are Arts and Sciences?**

We offer the following definitions to help you make these determinations. Remember, however, that before you pay to take a course or examination you should always consult with your advisor to make sure that it will help meet your degree requirements.

**Humanities**

Humanities subjects focus on developing knowledge and skills in critical reading, logical thought, and esthetic appreciation. Here are some subject areas typically classified as Humanities:

- Art
- Philosophy
- Music
- Foreign Language
- Literature
- Theater
- Ethics
- Speech
- Religion
- Communication

**Social Sciences and History**

Social Sciences and History subjects focus on individuals and society and the processes individuals use to order their world. Here are some subject areas typically classified as Social Sciences and History:

- Psychology
- Economics
- Sociology
- Geography
- Political Science
- History
- Anthropology

**Natural Sciences and Mathematics**

Natural Sciences and Mathematics subjects focus on understanding the natural world and problem-solving processes. Here are some subject areas typically classified as Natural Sciences and Mathematics:

- Anatomy and Physiology
- College Algebra
- Microbiology
- Calculus
- Chemistry
- Genetics
- Biology
- Physics
